

SEEABLE HOARDINGS

Landing Page – Website Requirements Document

1. Project Overview

SEEABLE HOARDINGS requires a modern, premium, professional one-page landing website for its outdoor advertising business. The website should introduce the company, explain its services and value proposition, showcase its presence, and encourage potential clients to contact the company.

Important: This is a company landing page, not a full billboard marketplace, booking platform, dealer dashboard, or customer portal.

2. Primary Objective

- Create a strong first impression for SEEABLE HOARDINGS.
- Clearly communicate that the company specializes in outdoor advertising and hoardings.
- Build trust and professional credibility.
- Show the company's advertising presence and capabilities.
- Generate inquiries through phone, WhatsApp, email, or a contact form.

3. Target Audience

- Business owners and companies looking for outdoor advertising.
- Marketing teams and advertising agencies.
- Local brands seeking high-visibility advertising locations.
- Startups and growing businesses wanting offline brand visibility.

4. Website Structure

Hero Section

- Company name: SEEABLE HOARDINGS
- Strong headline focused on visibility and brand impact.
- Short supporting statement explaining outdoor advertising services.
- Primary CTA: Contact Us / Get Started.
- Secondary CTA: Explore Our Presence / Our Services.
- Use a powerful billboard or city advertising visual.

About SEEABLE HOARDINGS

- Short company introduction.
- Explain the company's role in outdoor advertising.
- Focus on visibility, strategic locations and brand exposure.
- Keep the content concise and easy to scan.

Our Services

- Outdoor Hoardings

Why SEEABLE HOARDINGS

- Prime / strategic locations
- High visibility
- Strategic placement
- Professional advertising support
- Strong brand exposure

Our Presence

- Show key cities, areas, or advertising locations served.
- Use a visually attractive location-based presentation.
- This section is for company presence and credibility, not a full listing marketplace.

Call to Action

- Strong closing statement encouraging businesses to advertise.
- Example direction: 'Your Brand Deserves to Be Seen.'
- Contact buttons for phone, WhatsApp, email, or inquiry.

Footer

- SEEABLE HOARDINGS logo/name
- Short company description
- Phone number
- Email
- WhatsApp
- Social media links
- Copyright

5. Design & UI/UX Requirements

- Premium and modern corporate advertising aesthetic.
- Clean, spacious layout with strong visual hierarchy.
- Large typography for headlines.
- High-quality billboard, city, road, and advertising imagery.
- Smooth but subtle scroll and entrance animations.
- Responsive design for desktop, tablet, and mobile.
- Clear and prominent CTA buttons.
- Avoid an overloaded dashboard or marketplace-style interface.
- Use consistent spacing, typography, icons, and image treatment.

6. Suggested Visual Direction

The visual identity should communicate scale, visibility, movement, and professionalism. The page can use large-format advertising imagery, city environments, roads, buildings, billboards, and cinematic compositions. The design should feel like an established outdoor advertising company rather than a generic digital marketing agency.

7. Functional Requirements

- Fully responsive landing page.
- Smooth navigation between sections.
- Working Contact Us CTA.
- Click-to-call functionality on mobile.
- WhatsApp contact CTA.
- Email contact CTA.
- Contact/inquiry form.
- Social media links.
- Basic SEO metadata and descriptive page title.
- Fast-loading optimized images.
- Accessible buttons and readable typography.

8. Content Requirements

Content	Requirement
Company Name	SEEABLE HOARDINGS
Headline	Short, memorable statement focused on visibility
Company Description	2–4 concise lines

Services	5 core outdoor advertising services
USP	Visibility, strategic locations, reach and brand impact
Locations	Cities/areas where the company operates
CTA	Contact / Get Started / Enquire Now
Contact	Phone, WhatsApp, Email and Social Media

9. Out of Scope for This Version

- No dealer login/dashboard.
- No customer login.
- No online billboard booking system.
- No payment gateway.
- No complex billboard inventory management.
- No marketplace-style checkout.

10. Success Criteria

A visitor should understand within a few seconds that SEEABLE HOARDINGS is an outdoor advertising company, understand what the company offers, trust the brand, and have a clear path to contact the company for advertising requirements.
