Design Direction

- Premium outdoor-advertising / creative-agency aesthetic.
- Large cinematic billboard and city imagery.
- Bold typography and strong visual hierarchy.
- Minimal navigation and minimal unnecessary text.

- Editorial and asymmetric layouts instead of repetitive card grids.
- Smooth, subtle scroll animations and micro-interactions.
- Responsive design across desktop, tablet and mobile.
- The website should feel established, bold and memorable — not like a generic corporate template.

Core message: SEEABLE HOARDINGS provides outdoor advertising through strategic locations and high-visibility placements. The landing page should make visitors understand the company quickly and give them a clear path to contact the team.
